About

A NIGHT UNDER THE STARS

A Night Under the Stars is St. Albert's premiere fundraising event of the season. This glittering black tie event offers friends an exquisite evening of food, entertainment and luxury auction items in support of the Sturgeon Community Hospital Foundation (SCHF).

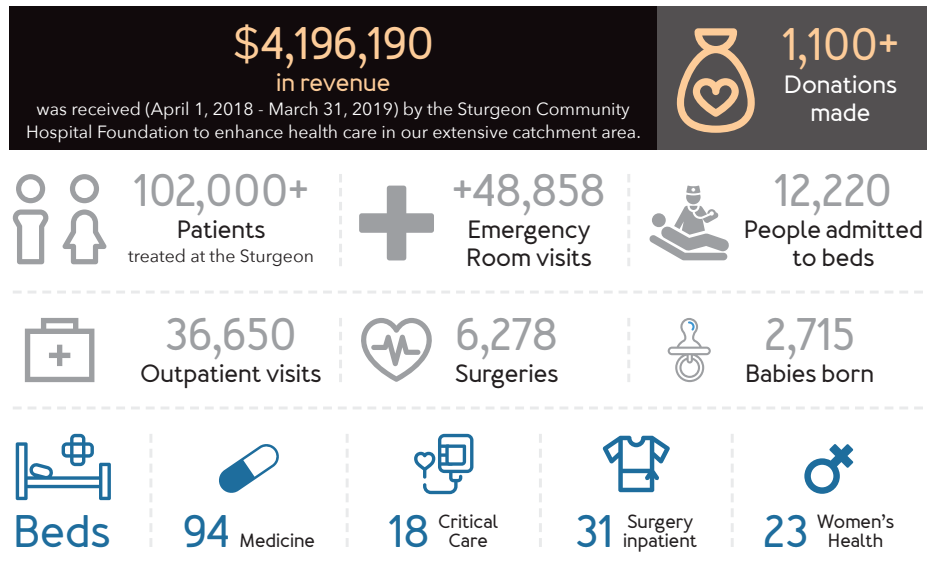

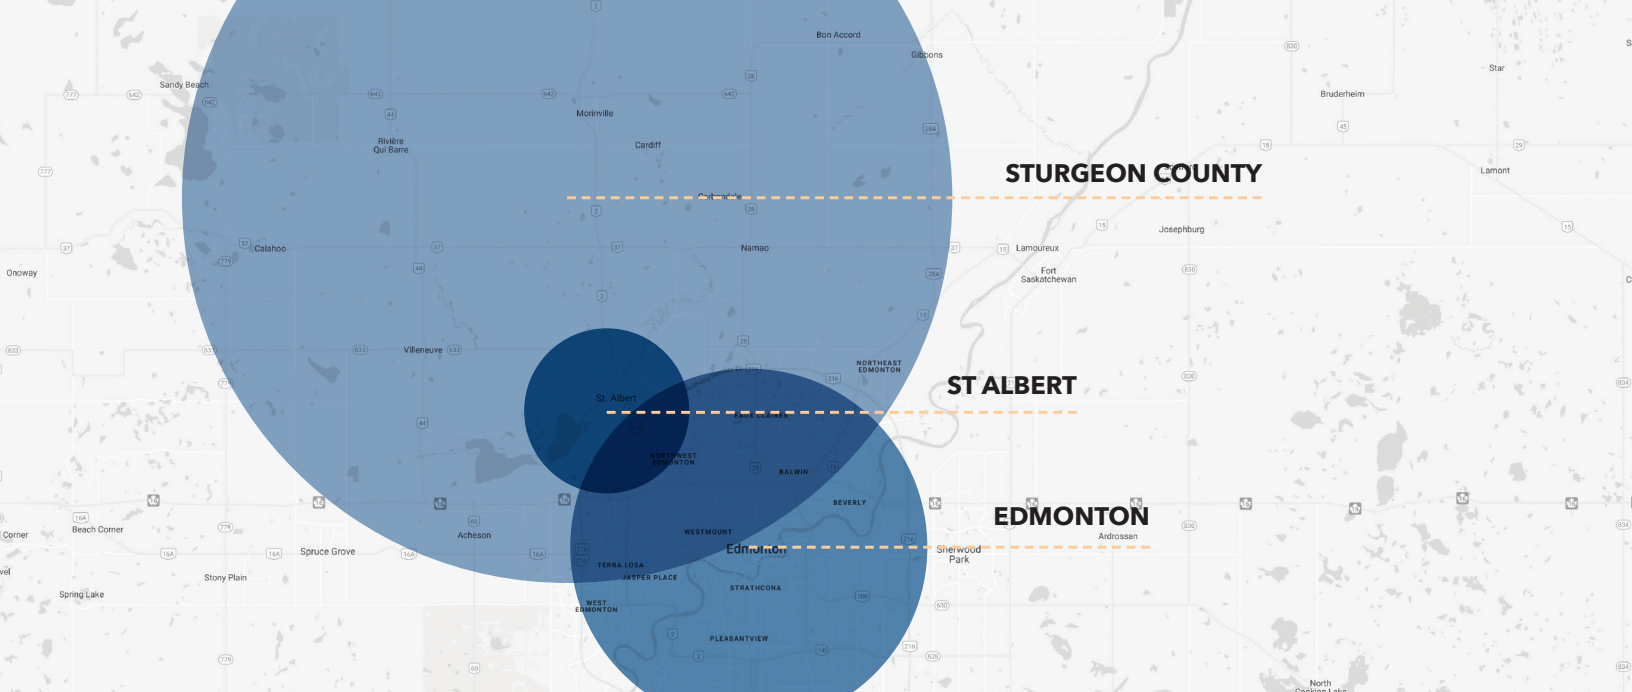

About

THE STURGEON COMMUNITY HOSPITAL FOUNDATION

Dedicated to enabling excellent medical care for every stage of life, the Sturgeon Community Hospital Foundation raises funds to support enhanced family care, purchase leading edge medical equipment, and ensure further education and innovation at the Sturgeon Community Hospital.

We're proud of the role the Sturgeon Community Hospital has played in the growth and development of the City of St. Albert, Sturgeon County and North Edmonton. Our region offers one of the best standards of living in our province, and we feel fortunate to be one of the cornerstones that have made our community what it is today. Why do we say we are here for every stage of life?

We are continually motivated by the dramatic way in which our hospital has enhanced the quality of life of everyone in our community. Our passion, hard work and fundraising efforts help grow our organization's reach and keep donation dollars within our community and families. Providing exceptional healthcare close to home.

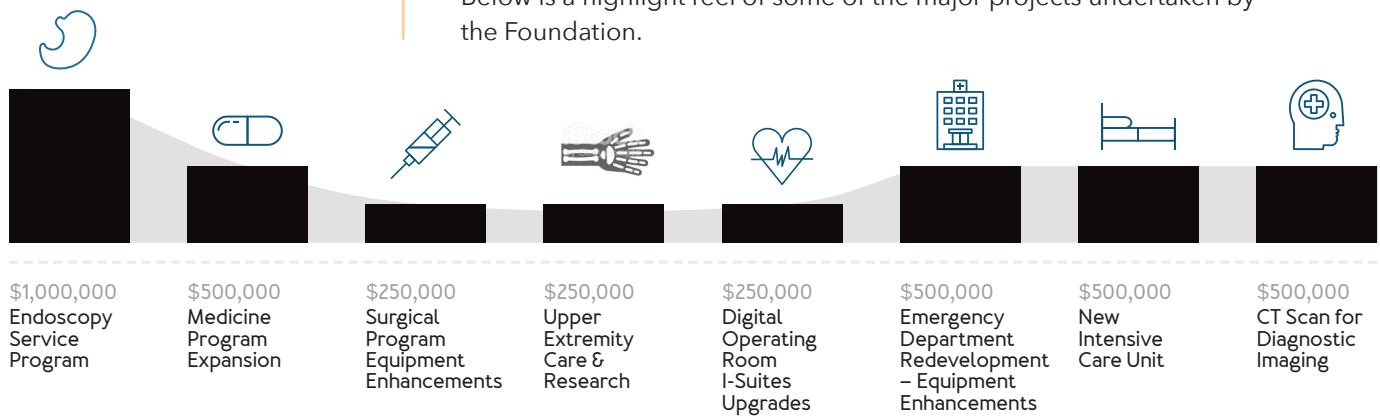

Our CAUSES

Without the support of the fundraising dollars raised by the SCHF, the Sturgeon Community Hospital would not be able to offer the enhanced family care, leading edge medical equipment, or carry out the innovation and education that we have come to expect from our hospital. Our community deserves more than basic healthcare services and your commitment to the Foundation allows us to achieve that.

In the 28 years of the Friend Raiser Gala, the Foundation has been very focused to ensure funding supports initiatives that:

- Keep our patients close to home,**
- Keep pace with the growing patient needs, and**
- Meet the need of our growing communities.**

Below is a highlight reel of some of the major projects undertaken by the Foundation.

\$18+ million
TOTAL

The 2020 Friend Raiser Gala will be raising funds to ensure our community continues to have access to complex care close to home.
