# PARTNERSHIP OPPORTUNITIES

# PARTNERSHIP OPPORTUNITIES

## ABOUT THE EVENT

The Foundations for Health Golf Tournament is much more than just a great day spent in the sunshine with friends. It is about making a lasting and critical impact on our community by supporting two of its most important charities - The Sturgeon Community Hospital Foundation and the St. Albert Community Foundation.

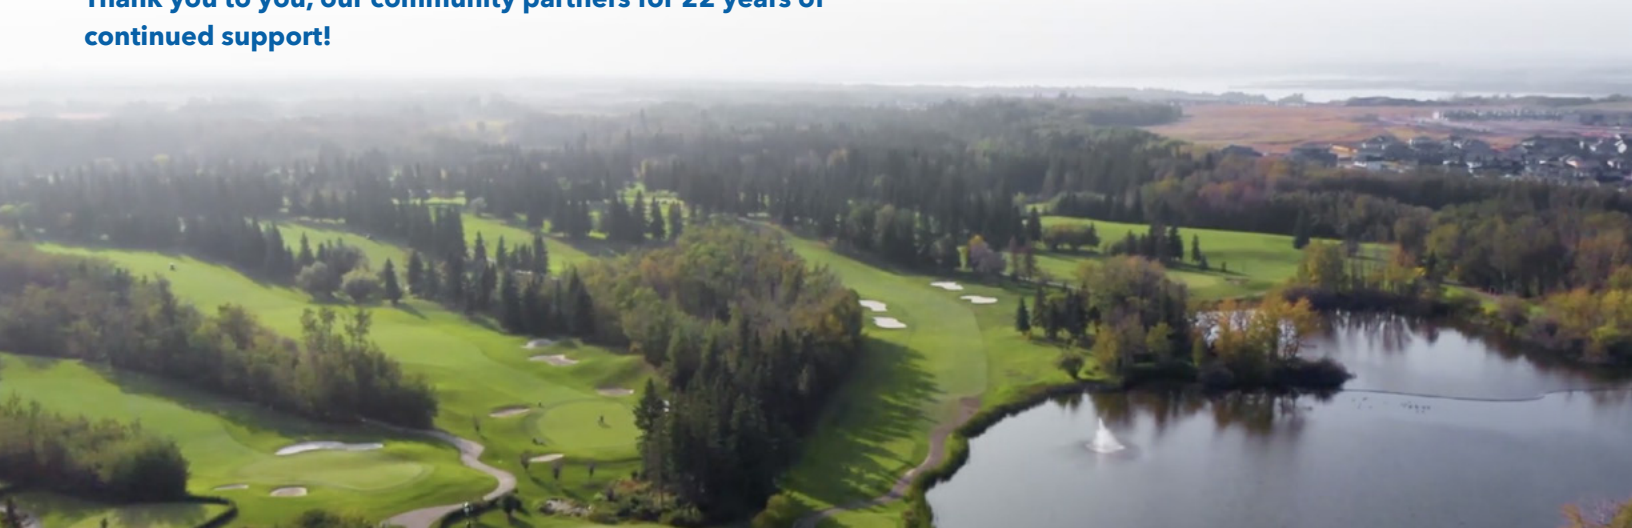

And the impact goes back a long way! Twenty-two years ago, the Gold Dust Casino took its two favorite St. Albert charities under their wing, creating the Gold Dust Casino Golf Tournament. After five years, the Foundations took flight on their own and began running the tournament together, establishing one of the best charity golf tournaments in St. Albert.

A tournament that raises over \$75,000 annually to support the work of both Foundations.

This year - the Sturgeon Community Hospital Foundation is committed to supporting the creation of a state-of-the-art Simulation Centre at the Sturgeon Hospital. Designed to provide an immersive learning experience for healthcare practitioners, the SIM Centre will further establish the Sturgeon Hospital as a leader in healthcare.

The St. Albert Community Foundation focuses on raising funds to support quality programs and services that contribute to the health and well-being of the community; Including groups such as: St. Albert Stop Abuse in Families, St. Albert Family Resource Centre, Jessica Martel Memorial Foundation and funding a sexual assault counsellor for St. Albert. The Foundation provides an opportunity for citizens to establish family or corporate trusts to support the long-term fulfillment of community needs. Funds from the Foundation are used to support worthwhile community projects organized by charitable organizations within St. Albert, Sturgeon County and surrounding areas.

**Thank you to you, our community partners for 22 years of continued support!**
